

WEDDING SINGER CLARA HUTCHINSON

CATHOLIC CHURCH CEREMONIES

TEMPLATE

This template is a guide to help you choose music for your church ceremony. If you have any specific requests of songs that are meaningful to you, please let me know and I'd be delighted to tailor the song list to suit. You will find all the relevant songs on the complete song list on my website.

If completing wedding booklets, it can be useful to input a  sign where songs will be used. This allows for changes to be made to song choices and order of songs if needed up to the day. It also allows for an element of surprise for your wedding guests when they hear the songs played.

I really look forward to being part of your special day,

Clara

Catholic Church Ceremony Songs Template

Entrance Song(s):

1) _____

2) _____ (if required)

(Choose one song from the entrance song list, or two songs if you wish to have a separate song for your bridal party.)

Please note: If choosing two songs, the first song for the bridal party will usually be longer than the second song because there are usually more people in the bridal party e.g. pageboys, flowergirls, bridesmaids etc. The second song for the bride's entrance will usually only be one short verse and chorus. So if you'd like to hear a full song for your entrance it's best to choose just one song for the entire bridal party.
