

Wedding Singer Clara Hutchinson **Song/ Hymn List-Church Ceremonies**

This template is a guide to help choose music for your special day. If you have any specific requests of songs that are meaningful to you, please let me know and I'd be delighted to tailor the song list to suit.

If completing wedding booklets, it can be useful to input a  sign where songs will be used. This allows for changes to be made to song choices and order of songs if needed up to the day. It also allows for an element of surprise for your wedding guests when they hear the songs played.

I really look forward to being part of your special day,

Clara
